Order #13304 - Jeff Stanley

39mm Sidepot Epiphany Chips - 10 Gram weight / Satin finish / 39.6mm diameter / .130" thickness
This phaser is a two dimensional representation of the finished product.

Actual size:

These designs represent finished chips. Some minor color differences may occur due to dissimilarities between color printer renderings on paper and actual chip dyes.

Production will not initiate until this phaser is signed, dated, and faxed to us at 928.493.5230
Approved & Accepted for Production By: _____ Date ____/____/____
